**Stipulation and Notice of Settlement
AND ORDER THEREON**

Plaintiff Feiya Cosmetics LLC and Defendant Larkin Inc. hereby jointly notify the court that the parties have reached a settlement and have entered into a written settlement agreement.

Accordingly, the parties stipulate and request that the court enter an order as follows:

1. The parties' settlement agreement requires Larkin to make payments over time, through October 31, 2008. The agreement would allow Feiya to file a stipulation for entry of judgment if (and only if) Larkin fails to make a payment.

2. The parties desire that the court retain jurisdiction over this case until the final settlement payment is made, so that this court may enter judgment in the event that a payment is not made. If all payments are timely made, Feiya will file a dismissal in the first week of November 2008.

3. Accordingly, the parties request that the court take off-calendar all pending deadlines, including trial, without dismissing this action. The parties further request that the court set a case management conference to occur on Friday, November 14, 2008. (The parties anticipate that the case management conference will be unnecessary if Larkin makes timely payments and Feiya timely files a dismissal in the first week of November.)
